

UNIVERSITY OF

MISSISSIPPI

Need help with research for assignments or papers? University Libraries provides support for students completing assignments that require research and the use of cited information. The Libraries offer assistance finding articles, books, and more. Drop in anytime to speak with a student assistant or staff member, or [contact us](#) for personalized one-on-one assistance – in-person or virtually. You can also search for books, articles and more from your own computer using [Library Search](#). For more information, visit the Libraries website at [library.olemiss.edu](#).

Need to learn how to use Canvas? Check out our [Canvas for Success](#) video to learn more about using Canvas for success in online courses. You can also find some additional answers to questions on the [Canvas Support Center](#), including an overview video.

Have questions about the right major for you, your future career options, or how to prepare for job or internship searches and interviews? Career Services is here to help you, including through video meetings remotely. They are a team of professionals dedicated to helping students and alumni succeed in their professional development and careers. In addition to career mentoring, they help students find jobs and internships today that prepare them for their career. They help students build their résumé, cover letter, practice interviews, and ultimately find their entry-level job. To learn more about upcoming virtual events or make a virtual appointment, visit the [Career Services](#) website.

Need to talk with someone about stressors, coping with life, or other challenges? Student Counseling Services is available to support students through in-person and virtual [counseling](#).
