Business Administration
University of Phoenix

Dr. Jimmie L. Black, Jr. currently serves as the Regional Talent Acquisition Director for Ascension in Oklahoma, Kansas, and Wisconsin. He previously served as Director of Human Resources for Mobile USA, Inc. With over 15 years leadership experience, he has held key leadership positions in both operations and human resources for companies in retail, manufacturing, and communications, including directing call center operations and providing HR support to over 4,400 employees in a high paced national retail environment. Jimmie received an Eagle Excellence Award in 2006 for innovation in creating a work flow system to automate graphic design processes at the Wichita Eagle while leading the sales and design teams.
