## University of Southern Mississippi Progressive Discipline Policy for Faculty

## **Policy Statement**

This progressive discipline policy applies to situations absent in other university policies. This policy is intended to address and remedy workplace situations requiring immediate attention, but do not merit initiation of proceedings leading to the termination of employment. This policy does not cover situations involving contumacious conduct, malfeasance, Title IX, scholarly misconduct, inefficiency, cause, or criminal conduct. This policy applies to the Corps of Instruction as defined in the Faculty Handbook as well as visiting instructors and visiting professors. Examples of conduct covered by this policy include, but are not limited to violations of university protocols or policies failure to perform assigned duties misuse of

financial resources, misuse of facilities, excessive absenteeism, improper supervision of graduate assistants, or inappropriate behavior leading to an unproductive learning and working environment.

## Reason for Policy

The progressive discipline policy provides an opportunity to identify and correct various workplace issues that may arise within the Corps of Instruction. The policy provides a standard process by which faculty are notified of inappropriate workplace behaviors or practices and what steps are required to correct the situation. The policy also provides a standard process by which faculty can appeal the allegations of inappropriate workplace behaviors or practices. Administrative personnel should follow the procedures

Step 1: Verbal warning

The school director verbally communicates the concern with the faculty member in a private meeting. The
